S Wednesday Family Spinnaker Class WFS

All FAMILY JAM skippers are not required but encouraged to obtain a PHRF-Lake Erie rating certificate. If there is not a current PHRF-LE certificate, a handicap is assigned based on a standard sister ship's spinnaker rating with any propeller cruising credit if applicable. A PHRF measurement certificate is required to receive credit for roller furling jibs. This method will permit the boat to race immediately with a fair rating however generally, a boat will benefit in rating by obtaining a PHRF handicap certificate. Remember we are adjusting ratings by 9, 6, 3 seconds after every win, place & show except Class S.

- Rating notes:**
- N** FJAM boats without a PHRF-LE certificate are assigned a standard PHRF spinnaker rating issued for the boat type.
