

ERIE YACHT CLUB RACING FLEET AWARD WINNERS 2020

Note #1
Racing in 2020 was limited by governmental imposed virus social distancing restrictions that prevented our RC from using the Flagship. A delayed season start brought limited racing with the start/finish line and RC established at our EYC lighthouse rather than offshore on the Flagship. The land based RC brought non-traditional off wind starts and courses not considered appropriate for long established deeded awards. The shortened season brought unknowns with more changes as the season progressed. These conditions also brought crewmember limitations on many boats due to no fault of their own. In some cases, individual races were scored under two different contested sponsored race series. The American/Canadian border was closed to pleasure boats during the entire

Many of these beautiful awards are delicate one of a kind works of art and are not replaceable. Please treat these valuable trophies carefully and respectfully for future generation's use and enjoyment.
