

Over 100 Years Of Yachting Tradition

The Chestnut street building was officially dedicated in July of 1895, and George T. Bliss served as the first Commodore.

Though the Club's new location west of the ravine and below the cliff in Kalkwa Park proved to be a challenge during construction, the formal opening was August 22, 1919.

A new Clubhouse was constructed and dedicated on October 5, 1968 with the master of dedication, the Honorable Raymond Shafer, then Governor of Pennsylvania in attendance.

About the EYC

In September 1894, a man named George T. Bliss, our first Commodore, had a dream of a boat club on Erie's beautiful Presque Isle Bay. George envisioned a club that would have a clubhouse plus a low building to store sculls, small boats, and equipment. By 1895 the Erie Yacht Club's first building was officially dedicated. From those humble beginnings over 100 years ago, the Erie Yacht Club (EYC) has grown to over 1,000 members. We believe much of our success comes from holding true to the Club's founding principles of promoting, encouraging, and developing activities associated with yachting.

Today the Erie Yacht Club is one of the oldest and largest full service yacht clubs on the Great Lakes. The atmosphere is casual and family-oriented with modern facilities that can meet all of your boating, dining, or entertainment needs. Our spacious clubhouse and bar are open 7 days a week, and we offer both casual and fine dining.

Major renovations to the bar and grill room have delivered a warm inviting interior finish.

Completed a six year, 7.2 million dollar renovation of our basin facility that included all new concrete floating docks, improved parking and park areas.

If life near the water holds a special place in your heart, then you owe it to yourself and your family to join us. Our Club offers the exhilaration of boating, relaxed dining, and casual conversations and drinks among good friends, all with an exquisite view. The EYC is a place to entertain, whether it's for 2 or 200. The Club is the place to 'just get away' without ever leaving the city. Add 110 years of proud yachting tradition, sunsets that will calm your soul, and members who feel like family, and you have what people in Erie consider the greatest place on the Great Lakes.

The Erie Yacht Club offers year round fun for members, their families, and their guests. On average, the Club hosts over 150 scheduled events a year. During the summer there are dock parties, sunset barbecues on the lighthouse deck, and sailboat racing for both beginners and advanced sailors. Thursday Happy Hours feature a DJ, dancing, and refreshments. From fall through spring there are numerous events including Oktoberfest, Christmas Dinner Dance, Commodore's Ball, Friday night bingo, a Club bowling league, ice boating, and a New Year's party to name a few. In keeping with our mission, the Club also offers sailing and safe boating classes for all ages.

For children, the EYC offers special events like Breakfast with Santa, Lunch with the Easter Bunny, as well as an Easter egg hunt. There are also teen dances for the older children in your family.

If you're looking for a venue to host a party, anniversary, wedding, business meeting or special event, the Erie Yacht Club is the perfect place. Our amazing food and friendly, experienced staff will make your event a smashing success. Contact us today for more details.

For boating members, our Club grounds include fueling facilities, 375 boat slips with an additional 35 floating moorings with free water taxi, 100 dry sail spaces, 40 jet ski docks, 2 launch ramps, 4 hoists, pump outs, showers, restrooms, washers, dryers and two picnic shelter areas.

As an added benefit of membership, the EYC has reciprocal agreements with many yacht clubs such as Buffalo Yacht Club, Cleveland Yacht Club, Port Dover Yacht Club, Chicago Yacht Club and the Toronto Yacht Club, to name a few. This means you may be able to dock and charge meals and refreshments at these clubs to your Erie Yacht Club house account. See our General Manager for a listing of participating clubs.

Activities for Everyone to Enjoy

Join the Club

The Erie Yacht Club offers a variety of affordable membership options. All memberships include Clubhouse privileges that allow full use of the clubhouse facilities and the ability to charge food, refreshments, and certain other items to your Club account. Based upon your membership level, boat services may also be included. Each member class holds different privileges as well as individual fee structures as outlined below.

Associate

An Associate membership is most beneficial to those who do not require boating privileges and plan to use the Club for business or personal reasons. As an Associate member you will have limited boating privileges and full use of the Clubhouse. Boating privileges include seasonal rental of a floating mooring, and the dry sail area. You will not have voting privileges.

If you initially join as an Associate member and later decide you would like to obtain a boat slip, simply submit a letter to the Board of Directors requesting transfer to a Regular membership. You will then be billed for the difference between the two member classes.

Junior

A Junior member must be between the ages of 16 and 34 to join under this classification. You will have all the rights and privileges of an Associate member. This member classification has tiered pricing based upon your age when applying.

In the year of your 35th birthday, as a Junior member you will be automatically transferred to a Regular or Associate membership.

Regular

A Regular membership is ideal for individuals interested in boat dockage and those who wish to have a voice in how the Club is run by voting in our Annual Meeting. These members have full boating and Clubhouse privileges. You also have the right to hold office.
